COMMUNITY COUNCIL SURVEY

Members of the North Putnam Community School Corporation Community Council have created a survey addressing parent satisfaction within North Putnam Community School Corporation. Parents may access the Community Council survey by going to the NPCSC homepage. On the top of the homepage, you will find a menu bar. The Community Council link is found on the right. When you click on the Community Council button, you will see a list of North Putnam Schools. Click on the school link you are completing the survey for, and you will be directed to that particular school's survey. Parents may complete a survey for more than one school by repeating the process for each survey they wish to complete.

The survey opened on January 23. Please take a few minutes to complete the survey on or before the close of the business day on February 3.

We are proud to work together as a community to meet the needs of our children and families.

The Cougar Pantry will be open on the following dates:
