- June 18 Summer School Ends

IREAD3 Results 2014

Students in grade 3 completed the IREAD3 assessment in March. Results became available to the school shortly after spring break. Overall, the group had an 88% passing rate. This mark is just short of the school's goal of 90%.

Retirement Open House and Student Art Show

Roachdale Elementary will host a retirement open house on Wednesday, May 21st from 5:30-7:30 p.m. in the school gymnasium. Being honored for their service and dedication to the school corporation are Debra Myers, Richard Lyons, Brenda Kerns, and Rosemary Dickerson (all pictured).

As a part of this special event, the annual spring art show will be held. Student artwork from the entire year will be on display as decoration for the open house and to mark the final art show for Mrs. Myers.

Please join us for this fun evening of recognition and celebration!

Building Project to Wrap-up in June

Renovations continue at Roachdale through the month of May. At the conclusion of the school year, some of the most intrusive construction will begin as the office gets a face-lift and the hallways and restrooms get new floors. Classroom doors will be replaced and cabinetry will be installed in classrooms where the old HVAC units once stood.

As school resumes in the fall, students will return to a school that is essentially the same, but will look a bit different on the inside. We look forward to greeting you in August with a fresh, new look. Be sure to visit us at registration and for our annual back to school open house to see the finished projects.

SPRING CARNIVAL
FRIDAY, MAY 9 (rain or shine)
6:00-8:00 P.M.
