Dan McMurtry – Counselor

"Every Child, Every Day, Whatever It Takes!"

HVAC Renovation Project Beginning Soon

An upgrade to the HVAC and boiler units at Roachdale is set to begin soon. The project will be funded through General Obligation (GO) Bonds, allowing the school corporation access to \$2 million dollars to complete the project. In addition to the renovated HVAC and boilers, the project will entail other improvements that will enable the school to see a savings in energy costs over time.

Any type of building project causes disruptions (expected and unexpected) to the learning environment. The school will do its best to minimize the effects on learning throughout each phase of the renovation. Once the project begins, frequent updates will be available to parents and the community via email, newsletters, and its newest communication tool, the Roachdale Elementary School Facebook page (see top-right).

For more information about the renovation project, please contact the school at 522-1732.

Help us keep our kids safe!

Beginning January 6, 2014 Roachdale Elementary School will be changing its visitor check-in policy to better protect our students.

The next time you visit Roachdale Elementary School, please bring your photo ID. With it, we will create your very own visitor's badge to be used each time you visit us.

The following check-in/out policy takes effect in January, but we will begin creating IDs now. Here's how it will work:

1. Visitors immediately report to the office once given access to the building.
2. An office staff member will sign you in and give you your personalized visitor's badge.
3. Return your badge to the office at the end of your visit and a staff member will sign you out.
4. We will keep your badge on file for your next visit.

Safety is something we take very seriously for **"every child, every day, whatever it takes!"**

Thanks for your help!

MERRY CHRISTMAS

School Calendar of Events

Dec 4	Santa's Workshop Setup 6:30 pm
