October Citizenship

The Roachdale Elementary School Community is committed to the development and academic growth of all students to encourage life-long learning in our ever changing world.

Thank You Walmart Transportation!

In August, Walmart Transportation met its goal and raised \$1,000 as a part of its "Safe Miles for Education" program. Roachdale Elementary is the lucky recipient of this money. On November 21, an associate from the company (pictured below) presented Mr. Spencer with a BIG check for \$1,000. This money will be used to provide incentives for students and supplies for teachers. **Thank you Walmart Transportation for supporting Roachdale Elementary!**
